

# End User License

Thank you for your purchase. We appreciate your business.

This product is provided to you with **End User Rights only**.

This means you may use the product for your own personal or business purposes, but you may **not** resell, redistribute, rebrand, give away, sublicense, or pass along any resale rights, Private Label Rights, Master Resale Rights, giveaway rights, or membership-site distribution rights.

## **You May:**

- Download and use this product for your own personal or business use.
- Read, study, and apply the information for your own projects.
- Use any included worksheets, templates, checklists, or resources for your own internal use.
- Keep a backup copy for your personal records.

## **You May Not:**

- 
- Sell this product.
- Give this product away.
- Add this product to a membership site.
- Add this product to a PLR, MRR, resale rights, or giveaway package.
- Claim authorship or ownership of the product.
- Rebrand the product as your own.
- Edit, modify, or republish the product for resale.
- Share the download files, source files, editable files, graphics, documents, or license files with others.
- Transfer this license to another person or business.
- Pass along PLR, resale rights, giveaway rights, or membership-site rights of any kind.
